NO! to „Super League“

Dear Mr President,
Dear Mr Secretary General,

AEFCA-President Mr Walter Gagg expressly positions himself against the establishment of a European “Super League”!

Football is the game of the masses and not the playing field for some investors!

The AEFCA unconditionally supports the position of UEFA, which is particularly the sole guardian, manager and organizer of football in Europe.

AEFCA-Board and -Executive Committee and the 47 affiliated national trainer associations representing around 200.000 trainers across Europe condemn the intended establishment of a Super League by some privileged clubs in the strongest possible terms.

with kind regards

Jürgen Pforr
AEFCA-Secretary General

football, fit for future!
