AEFCA Symposium 2022 ante portas

It happened on Monday October 14, 2019:

AEFCA President Walter Gagg gave the closing speech at the 40th AEFCA Symposium during the closing ceremony at the Renaissance Hotel in Warsaw.

For two days, the AEFCA and the Polish hosts presented a top-level programme to the representatives of the AEFCA member associations and guests.

Coaches and Officials representing European football on top-level gave each other a hand. Peter Schreiner, Antonin Plachy, Stefan Majewski, Alan Pardue, Dariusz Pasieka, Daniel Jeandupeux, Massimiliano Allegri, Prof. Francesco Cognetti, Stanislav Cherchesov, Jerzy Brzeczek, Jan Urban, Jerzy Dudek, Carolina Morace and finally Gerard Houllier, who passed away just one year later much too early, with an unforgettable lecture.

AEFCA President thanked the hosts for an event on the highest standard.

The AEFCA will do everything to ensure that this level is also maintained at future Symposia and he expressed his expectation that all present would like to meet again next year at the 41st Symposium of AEFCA.

In march 2020 everything changed.

The pandemic prevented the 41st Symposium from being held.

The plans for the event planned for autumn 2020 have been discarded.

Conference centers and hotels were closed, European air traffic had come to a standstill. But in the following year 2021 it was not possible again to hold the symposium due to the covid-incidences

But now in 2022 the situation changed significantly.

A few days ago AEFCA-President Walter Gagg returned from an inspectiontour with good news.

After lengthy intensive negotiations the hosting national Football-Association and the national Coaches-Association presented conference-center and hotel as well as football-pitch for the practical demonstrations.

They will prepare a supporting programme and both parties agreed to organise the Symposium in October 2022. Very next we will inform you where this 41st AEFCA-Symposium will take place.

Now it is up to us to fulfill our commitments.

The AEFCA can only contest its contribution to the overall budget if the members have paid their membership-fee.

For this reason, the annual invoice for the membership-fee 2022 is attached to this newsletter and ask you to transfer the fee within the next ten days.

Please let us know if you need a different format of the invoice.

After more than two years of the pandemic, the AEFCA's accounts are empty. On one hand, the last remaining sponsor Telesport from Moscow stopped making payments, on the other hand, our members also had significant problems during this difficult time.

A number of members reported that they had more or less to stop their activities and that they were not generating any income as a result.

The payment of the membership fee was not possible.

Other members made the payment of the membership fee dependent on the organization of our next Symposium.

All members have been active again since spring 2022.

At the same time, we ask all members who were unable to pay the membership-fee during the pandemic years to check their liquidity and make up, if possible, for the missing payments now.

Please let the Secretariat know if you need another invoice-document for this.

Dear All,

Now that the negotiations for the next AEFCA Symposium are on the home straight, we can bill the membership-fee with a clear conscience.

The 41st. AEFCA-Symposium is just around the corner and we look forward to seeing you again soon.

Dear Mr President,

the Russian invasion of Ukraine is contrary to international law of nations.
UN voted to condemn Russia's invasion of Ukraine and called for withdrawal with large majority.

Political and sporting organizations around the world have condemned the invasion and taken consequences.

AEFCA unconditionally supports FIFA's and UEFA's ban towards russian teams, clubs and organisations.

In accordance with the statutes of AEFCA the board of AEFCA made the decision:

- The membership of the Russian Coaches Union has been suspended.
- The President of the Russian Coaches' Union has been suspended from his position as Vice-President of the Executive Committee of AEFCA.

AEFCA-Board will closely monitor and respond to further developments in Russian aggression.
